- 3.5. Each player can only strike from the side he is sitting at.

- 3.7. The red 'queen' can be pocketed at any time after sinking your first piece but must be sunk before your last one. After pocketing the queen, you must sink one of your carrommen, thereby 'covering' it into any pocket in the next shot, or she is returned to the center spot.
- 3.8. Sinking the striker cost you one piece and your turn. However, if you sink an opponent's piece in the same shot, then the two come up and you can shoot again.
